

# Holy Spirit Empowerment, Purpose, and Possibilities

## Webinar Study Guide

By Lynn Hare

### I. Big Change Can Be Tough

Transitions can be challenging. It can be easy to feel stuck, confused, or angry when trying to answer tough questions. Without the right tools, a guiding voice, or a plan, you may feel lost. But a possibilitarian walks through the experience equipped to look, listen, and advance with fresh possibilities! In alignment with the Holy Spirit, vision, creativity, and innovation are released.

### II. What is a Possibilitarian?

A “possibilitarian” is a person who activates possibilities with hope-filled expectation.

**Jesus is the Master Possibilitarian.** He creates possibilities everywhere. His power is known in the spirit realm and in the natural. We can ask the Holy Spirit to lead us to where Jesus’ heart, thoughts, and wisdom are being released. We can proactively release them *on earth as it is in heaven*. Where you find His presence, there is hope.

### III. Overview

The Holy Spirit activates three things in us: empowerment, purpose, and possibilities. When He empowers us, we are strengthened to live out the purpose He has uniquely designed us for, and equipped with that purpose, we find possibilities explode wide open.

### IV. Empowerment

With the Holy Spirit’s empowerment, we get clarity and make optimal decisions. He provides godly counsel. He is all-powerful.

#### A. Possibilitarian Jesus

**Because Jesus lives in us, we are powerful.** Everything Christ does demonstrates His power. His power is necessary to overcome doubt, stress, confusion, and fear. He calls us to live out our lives with courage.

## **B. The Power in Empowerment**

God is the source of all power.

*"I will teach you about the power of God; the ways of the Almighty I will not conceal." (Job 27:11)*

*"The voice of the Lord is powerful; the voice of the Lord is majestic." (Psalm 29:4)*

*I pray that the eyes of your heart may be enlightened, so that you will know the hope of His calling . . . and the surpassing greatness of His power toward us who believe. (Ephesians 1:18-19 NIV)*

*"I pray that you will continually experience the immeasurable greatness of God's power made available to you through faith. Then your lives will be an advertisement of this immense power as it works through you!" (Ephesians 1:19 TPT)*

You don't need to have all the answers. You just need to know the One who does—the Holy Spirit, who lives in you. You can make a quantum leap by allowing the Holy Spirit in you to express Himself in your life.

## **C. The Integration of IQ, EQ, and SQ**

- 1.) **I.Q. – Intelligence Quotient.** Measure of reasoning ability. Mental age divided by chronological age x 100. I.Q. can be increased.
- 2.) **E.Q. – Emotional Quotient.** Skill in identifying, understanding, managing, and expressing your strengths, weaknesses, values, and emotions. It includes taking care of your physical needs and being socially aware of others' needs too. Empathy and good listening habits are integral to E.Q.
- 3.) **S.Q. – Spiritual Quotient.** The ability to sense and apply the Holy Spirit's heart, thoughts, and wisdom

*Key Verse: We impart this in words not taught by human wisdom but taught by the Spirit. (1 Corinthians 2:13)*

## **D. Five Ways to Amp up Your Direct Line to Heaven**

### **1.) Seeing**

*I pray that the eyes of your heart may be enlightened in order that you may know the*

*hope to which he has called you, the riches of his glorious inheritance in his holy people. (Ephesians 1:18)*

## **2.) Hearing**

*"Faith comes by hearing, and hearing by the word of God." (Romans 10:17)*

## **3.) Sensing**

*"As we look not to the things that are seen but to the things that are unseen. For the things that are seen are transient, but the things that are unseen are eternal" (2 Corinthians 4:18).*

## **4.) Knowing**

*"Now we have received not the spirit of the world, but the Spirit who is from God, that we might understand the things freely given us by God." (1 Corinthians 2:12)*

## **5.) Dreaming**

*"And afterward, I will pour out my Spirit on all people. Your sons and daughters will prophesy, your old men will dream dreams, your young men will see visions." (Joel 2:28)*

## **V. Avoid This Mistake**

An easy mistake in looking for God's highlights is to rely on what you see with your natural eyes. *Look with the eyes of your heart.* This takes practice at first but is fun and fruitful. Activate God's power by asking Him for wisdom as you make decisions.

## **VI. Take the Next Step: Journal!**

*"I will ponder all your work and meditate on your mighty deeds. (Psalm 77:12)*

A. Journal – Dr. Joseph Peck's course *Uncommon Journaling for Divine Destiny* and his book *I Was Busy, Now I'm Not* are excellent resources.

B. Use the 5-Minute Journal app. Upload daily photos.

C. In the next 24 hours, write a question you are seeking wisdom for. Carve out a special time to spend with God (even if just a few minutes). Using one modality that speaks to you (seeing, hearing, sensing, knowing, or dreaming), ask God for His perspective. What is He saying? Record your conversation in a journal entry. Share with a friend.

## VII. Purpose

With the Holy Spirit's purpose, we gain clarity and take intentional paths. When we're wrestling with hard decisions, we get to know the Holy Spirit better when we connect with the purpose He has created us for.

### A. Possibilitarian Jesus

**Jesus was all about purpose**—the Kingdom of God. That purpose has supernatural possibilities. His purpose is known in the supernatural and confirmed in the natural. He calls us to live out our destiny. When things go wrong, instead of asking, "Why?" we can ask, "For what purpose?"

### B. What Unique Purpose Were You Created for?

1.) Bruce Lee: "I fear not the man who has practiced 10,000 kicks. But I fear the man who has practiced one kick 10,000 times." What is your *one kick*? It's found in your identity—who God created you to be.

2.) Key Questions to Help Recognize Your Identity

- What frustrates you?
- What problems is God raising you up to solve?
- What keeps you up at night?
- What flows in you so much, it happens without thinking?
- What have people told you that you're good at?
- What are you *not*? So what *are* you?

*"The whole point about thinking brilliantly is about knowing your identity and the favor you have in Christ." – Graham Cooke*

Learning your identity is the key. God will show you your identity and from that place of confidence every response is about your truth.

### C. Take the Next Step: Share Your Dream with a Friend

*If you could do anything in the world and you knew you could not fail, what would it be?* What is your dream? What is one step you could take today to begin? Write it and share with a friend in the next 24 hours. (Example: "I would like to write a book about hope. I'll brainstorm the outline and share it with a friend by the end of the day tomorrow.")

*The first step in a possibilitarian's journey is found in one irrational act of faith that alters the course of history.*

## VIII. Possibilities

When we get stuck, it's often because we see things in terms of a math problem with a convergent solution—we either get it right or wrong. With the Holy Spirit's possibilities, we gain creativity and innovation. We see fresh ways of doing things. We get inspired with the eyes of imagination.

### A. Possibilitarian Jesus

**Jesus is Creator of Quantum Leaps.** His presence is visible in the spirit realm. We can ask Him to lead us to other dimensions. We're seated in heavenly places. We can see from heaven's vantage point. We don't pray *toward* heaven. We pray *from* heaven.

### B. The Science of Activating Possibilities

Quantum Physics: Moving something from possibility to actuality by expecting or speaking is called "collapsing a quiff." Romans 17 says, "Call forth what is not as though it is." We can walk, talk and act as if our desires were already done. We can carry ourselves upright as royals and expect a positive outcome.

### C. Life is a multi-dimensional vault with infinite possibilities!

*With God all things are possible. (Matthew 19:26)*

**D.** We can exercise our sanctified imagination and see possibilities no one else has seen before.

*Alice laughed. "There's no use trying," she said; "one can't believe impossible things." "I daresay you haven't had much practice," said the Queen of Hearts. "Sometimes I've believed as many as six impossible things before breakfast." - Alice in Wonderland*

### E. Take the Next Step: Open up Your Sanctified Imagination!

- 1.) Briefly describe a problem you need a creative solution for.
- 2.) Close your eyes and ask the Holy Spirit to open your eyes to His possibilities. Draw a picture of what you see.
- 3.) Speak out success with quantum-leap confidence—as though it's already done. Share the results with a friend.

*Imagine the day when your mind is clear and your decision-making is confident.  
Imagine the day when your heart is filled with clarity and peace.  
Imagine the day when your spirit finds the place where it belongs.*

### **IX. Recap: Take the Next Step**

A. Pray about something you are seeking wisdom for. In a journal entry, write or draw what you sense from God (by seeing, hearing, sensing, knowing, and dreaming).

B. *If you could do anything in the world and you knew you could not fail, what would it be?* What one step will you take to begin? Write it and share with a friend in the next 24 hours.

C. Envision and speak out success with quantum-leap confidence—as though it’s already done.

### **Prayer**

Father God, where will I get the best reception and hear Your voice clearly? Let’s meet up in that place. I purpose to tune out distractions, to listen and to move in agreement with what You say. My spiritual eyes are open, ready for fresh possibilities. I’m grateful that You are powerful and all-knowing. I want to know Your heart, thoughts, and wisdom. I want to know *You*.

Jesus, You are the Master Possibilitarian! You live inside me, so I’m a possibilitarian, too. My identity has an amazing destiny as You align me with *Your* purpose!

Holy Spirit, I’m grateful that You are enlarging and expanding my sanctified imagination. With You, I take my next steps with vision, creativity and innovation.
